Your application was selected for a process called verification. When reporting people in the family size section of the verification worksheet, you should only include individuals who receive more than 50% of their financial support from you. **Do not report unborn children.**

Extended family members or other individuals (such as your parents, siblings, etc.) may be included *ONLY* if they live with you AND will receive more than half their financial support from you during the school year. Extended family members should not be listed in the family size if they are:

- Working/employed/self-employed
