FRESHMAN

- Become familiar with your degree plan and view the sample 4-year plan, focusing on degree requirements, course sequences, and pre-requisites.
- Focus on Math, English, and Science courses such as MATH 1320, RWS 1301, RWS 1302, and BIOL 1305/1107, BIOL 2311/211.
- Request a graduation audit through the CHS Student Support Center.
- Once you have reached 90 credits, apply to the MHIRT program for a unique summer research experience in Ecuador, Costa Rica, or Panama.
- Visit the University Career Center and develop your CV and resume.

SOPHOMORE

- Aim to complete Kinesiology program prerequisites this year.
- Continue working on University Core Requirements.
- Once you are in the final semester of program prerequisites, take KIN 3303 to learn about the major and your Human Fitness & Performance (HUFP) concentration.
- Complete any remaining University Core requirements.
- Meet with your faculty advisor each semester in the Kinesiology Department.
- Develop real-world job experience by completing an internship in the field.
- Join the University Career Center and develop your CV and resume.

JUNIOR

- Work on the KIN Core Courses and start looking at the HUFP concentration sequence. Take KIN 3331 and KIN 4312 from the KIN Core tas soon as possible so you can progress in the HUFP concentration.
- Complete the KIN Core, HUFP Concentration, and electives.
- Refer to your graduation audit to ensure you are aware of all remaining requirements for graduation.
- KIN 4351 Internship in Human Fitness & Performance will most likely be taken in your final semester. Make sure you plan so all the pre-requisites for that course are completed before KIN 4351.
- Meet with your faculty advisor each semester in the Kinesiology Department.
- If you have not done so already, request a graduation audit through the CHS Student Support Center once you have reached 90 credits.
- If you are planning on graduate school, save these electives. They can be used to complete additional courses required by graduate programs.

SENIOR

- Complete degree requirements, including the Kinesiology Core, HUFP Concentration, and electives.
- Refer to your graduation audit to ensure you are aware of all remaining requirements for graduation.
- KIN 4351 Internship in Human Fitness & Performance will most likely be taken in your final semester. Make sure you plan so all the pre-requisites for that course are completed before KIN 4351.
- Continue to meet with your faculty advisor each semester in the Kinesiology Department.
- If you are planning on graduate school, save these electives. They can be used to complete additional courses required by graduate programs.
- Meet with your advisor in the Academic Advising Center.
- Meet with your AAC Advisor each semester until you reach 46 cumulative credits.
- Transition to the advisors in the College of Health Sciences after you have earned 46 credits.
- Continue to meet with your AAC Advisor each semester until you reach 46 cumulative credits.
- Transition to the advisors in the College of Health Sciences after you have earned 46 credits.
- Meet with your faculty advisor each semester in the Kinesiology Department.
- Develop real-world job experience by completing an internship in the field.
- Join the American College of Sports Medicine for leadership opportunities and networking in the field.
- Research post-graduate professional and educational opportunities.
- Visit the University Career Center and develop your CV and resume.
- Prepare for the appropriate exams if applying to graduate school.

ENRICHING EXPERIENCES

- Research career possibilities in Kinesiology.
- Participate in student organization fairs.
- Explore community involvement opportunities in your field with the Center for Civic Engagement.
- Join the Kinesiology Club.
- Explore the world with a Study Abroad course.
- Explore the world with a Study Abroad course.
- Explore global perspectives and trends in kinesiology, and identify opportunities for short faculty-led study abroad trips.
- Expand your community engagement efforts.
- Visit the University Career Center and update your CV and resume.
- Visit the University Career Center and update your CV and resume.
- Join the UTEP Alumni Association.
- Explore job fairs and pursue career opportunities.
- Join the UTEP Alumni Association.

LIFE LONG SUCCESS

- Explore other majors to determine if this major is a good match for your interests and abilities.
- Reflect on your developing educational and career goals.
- Explore emerging fields and innovation at UTEP L.I.V.E.
- Explore emerging fields and innovation at UTEP L.I.V.E.
- Explore emerging fields and innovation at UTEP L.I.V.E.
- Explore emerging fields and innovation at UTEP L.I.V.E.

EDGE ADVANTAGES | UTEP students will graduate with these skills:

- Leadership
- Problem-solving
- Communication
- Entrepreneurship
- Social Responsibility
- Confidence
- Global Awareness
- Teamwork
- Critical Thinking

DEPARTMENT OF KINESIOLOGY | HEALTH SCIENCES & NURSING BUILDING | 915-747-7245 | KINESIOLOGY@UTEP.EDU
All courses used to satisfy the core curriculum must be completed with a C or better.

**1. Communication (6 Hrs)**
- ENGL 1301 Rhetoric and Composition 1 OH
- BIOL 1303 Expos Engi Compos-Spk Esl
- ENGL 1313 Writ abt Lit
  - Prereqs: ENGL 1301, ENGL 1311, and ENGL 1313
  - 3 Hrs Grade

**2. Mathematics (3 Hrs) - MATH1505 preferred**
- MATH 3301 Calculus I
  - Prereq: MATH 1505

**3. Life and Physical Sciences (6 Hrs + 2 Hrs for labs below)**
- BIOL 3305 General Biology (BIOL 1105 lab listed below)
- BIOL 2111 Human Anat./Phys. I
  - Prereq: BIOL 2111 lab listed below

**4. Language, Philosophy, & Culture (3 Hrs) - PNHL2305 preferred**
- Select 3 credit hour courses:
  - ENGL 2311, 2312, 2313, 2314, 2518, FREN 2322, HIS 2501, 2502
  - 3 Hrs Grade

**5. Creative Arts (3 Hrs) - CANT1505 preferred**
- ART 1301, ARTH 1305, 1306, DANC 1304, MUSL 1301, 1303, 1304

**6. American History (6 Hrs)**
- HIS 1301 History of the US to 1865
- HIS 1302 History of the US Since 1865

**7. Government/Psychological Science (6 Hrs)**
- POLS 2311 American Gov. and Politics
  - Must include TX gov.

**8. Social and Behavioral Sciences (3 Hrs) - PSYC1301 preferred**
- Select 3 credit hour courses:
  - ANTH 1301, 1303, 1305, COMM 2306, 2372, ECON 2303, 2304
  - 3 Hrs Grade

**9. Component Area Option (6 Hrs) - UNIV1301 and COMM1301 preferred**
- BUSN 1301, COMM 1301, COMM 1302
- 3 Hrs Grade

**Program Prerequisites - Must be completed w/ C or better**
- BUAD 1107 Topics in study of Life Lab
  - Prereq(s): MATH 1505 or higher, or placement exam
- BIOL 1107 Cell Pracs I
  - Prereq(s): BIOL 1306 or ENGL 1313
- CHEM 1407 Intro Chem or CHEM1306/1105 Gen Chem
  - Prereq(s): MATH 1311, 1312, and 1313
- CHEM 1408 Intro Chem or CHEM1306/1106 Gen Chem
  - Prereq(s): MATH 1311 and 1312
- PHYS 1443 General Physics I
  - Prereq(s): MATH 1311 and 1411, 1412, or 1413
- PSYC 1301 Statistical Methods
  - Prereq(s): MATH 1311, 1312, and 1313

**Total 42**

**Total Required Degree Plan Hours**

**Total** 120

**University Graduation Requirements**
- All required core prerequisite courses must be completed with a C or better.
- All required freshman level courses specific to your degree plan must be completed prior to earning 80 semester hours.
- A minimum of 30 semester hours must be completed at UTEP.
- A maximum of 66 semester hours of credit from two-year institutions is applicable toward a degree at UTEP.
- A minimum cumulative grade point average to earn KIN degree is 2.50.
- All university core prerequisite classes must be completed with a C or better.
- All required freshman level courses specific to your degree plan must be completed prior to earning 80 semester hours.
- A minimum of 30 semester hours must be completed at UTEP.
- 12 of the last 30 semester hours must be completed at UTEP.
- All courses required for the degree plan must be completed within 3 years of graduation.
- Minimum cumulative grade point average to earn KIN degree is 2.50.
- A maximum of 68 semester hours of credit from two-year institutions is applicable toward a degree at UTEP.

**Clinical Compliance Requirements**
- Students who enroll in KIN 4350 and KIN 4351 may need to meet Clinical Compliance Requirements: http://www.utep.edu/chs/compliance/
