

EXPORT CONTROL ACKNOWLEDGEMENT AND CERTIFICATION

INVESTIGATOR INFORMATION

Principal Investigator: _____

Department/Center: _____

Project Title: _____

Sponsor: _____

I, the Principal Investigator certify that I understand and will adhere to the terms and conditions of the Federal Grant Assistance Award agreement for the Project and any subsequent Agreements related thereto, issued.

I acknowledge that due to the sensitive nature of this project, heightened caution must be exercised, and due consideration must be given to the dissemination of information, including but not limited to, publications, schematics, flow charts, computations, configurations, photos, graphs, maps, charts, email, verbal communication or material in any form.

I acknowledge receipt of the University Export Control Guidelines and Procedures, and other related materials, and will comply with all applicable export control laws and regulations, including those regarding laptop, PDA, GPS, encrypted software, protected/sensitive technology, and other controlled technology or materials and equipment. I will maintain and adhere to all security, contract requirements, and laws governing export control. As principal investigator for this Project, I will also inform all individuals and third parties associated with this project, of the aforementioned regulations and requirements.

I certify that I am familiar with the export control issues arising under this project and have read and understand this certification. I understand that I could be held personally liable if I unlawfully disclose export controlled technical data to foreign persons and agree to take reasonable measures to prevent unauthorized persons from having access to or using any export controlled technical data I may receive. I agree to take appropriate security measures and to contact ORSP before making any type of disclosure of controlled technical data to any foreign person.

Signature of PI: _____ Date: _____
