This contract has been created because ______________________ has shown interest in participating in the fall 2019 Powerful Pages program. The Student Engagement and Leadership Center has developed the following requirements to allow participants to borrow and potentially obtain copies of this semester’s book, “The Changemaker: The Art of Building Better Leaders”

The participant agrees to do the following:

1. Attend a minimum of five (5) of the six (6) session dates for the program.
2. Participate fully in any activities that are planned for meetings as well as contribute to any relevant dialogues or conversations.
3. Be mindful in checking their UTEP email and BookMovement accounts for updates and intermeeting notes.

Participants that choose to sign this Book Contract will put down a deposit of $10.00 in order to receive a copy of “The Changemaker”. At the end of the program, those that have met the above requirements will be able to keep their copy of the book as well as be refunded their deposit. If for whatever reason the participant is unable to meet the above stated requirements, they will be required to return their borrowed copy but will receive their deposit back. Please note that copies returned must be in the same condition they were given in, and that any damages will result in a forfeit of the participant’s deposit.

The participant hereby agrees to abide by the terms of this Book Contract.
