

# Homepage

Students transition to their personal homepage. Upon first time use, students see quick tips that point out important features of the homepage, including the ALEKS Learning Pie and how it works. The number in the center of pie represents the total number of topics the student mastered in the Prep and Learning Module based on their Initial Placement Assessment.

Selecting a slice in the Learning Pie opens more information about the slice, including the number of topics Mastered, Learned, and Remaining in each slice.

## Key Areas of the Homepage

Below are some key areas of the homepage, and an overview description of each feature. For more details, please select the links to go to the applicable section in this document. Match up the callout number in the screenshot to the corresponding description below for details:

The screenshot displays the ALEKS homepage for a student in the 'Prep for College Algebra' module. The interface includes a navigation menu (1), the ALEKS logo (2), a progress bar (3) showing 99 mastered, 0 learned, and 120 remaining topics, a notification bell (4), and account settings (5). The main content area features a 'UP NEXT' section (8) with a 'CONTINUE MY PATH' button, a 'PLACEMENT ASSESSMENT' section with a 'View Report' link, and a 'Learning Pie' section with a 'Timeline' toggle (7). A timeline marker (9) is positioned on the timeline, and a 'Timeline Detail' button (10) is located at the bottom right.

- 1 | **Navigation Menu:** Provides access to important features in ALEKS.
- 2 | **ALEKS Logo:** Returns students to their homepage from any page in the Student Module.
- 3 | **Progress Bar:** Displays the number of topics Mastered, Learned and Remaining in real-time.
- 4 | **Notifications:** Students are alerted with real-time notifications such as new messages.
- 5 | **Account Settings:** Displays the student's account settings.
- 6 | **Next Knowledge Check Indicator:** Displays when the next Knowledge Check will occur.
- 7 | **Timeline/Learning Pie:** Students can toggle their view between the timeline to see their progress in the Prep and Learning Module (default view), or the Learning Pie to see their progress within each slice.
- 8 | **Primary Guidance Menu:** Contains the primary call to action, which is working on the learning path. It also contains secondary tasks, such as taking additional Placement Assessments or viewing past assessment results.
- 9 | **Timeline Marker:** Shows where the student is on the timeline.
- 10 | **Timeline Detail:** Students can view their timeline detail and filter their view by week, month, or day.

## Header Bar

The header bar area allows access to the Navigation Menu, displays the cohort name that the student is enrolled in, provides real-time cohort progress information, Message Center alerts, and access to the student's account settings.

**How to Find It:** Located at the top of first-level pages in the New Student Module.

## Account Information

Students can access their account settings and log out of ALEKS by selecting their account name in the upper-right corner.

## Settings

This page contains the setting to show the English/Spanish toggle on the First Time Use pages, homepage, and most pages of the New Student Module, the student's email address, allows students to change their password, and High Contrast and Grayscale color settings.

**How to Find It:** Select the account name in the upper-right corner | Select **Settings**

## Shortcut Keys

This page contains **ALEKS Keyboard Shortcuts**.

**How to Find It:** Select the account name in the upper-right corner | Select **Shortcut Keys**

## Logout

**How to Find It:** Select the account name in the upper-right corner | Select **Logout**

## Notifications

The header bar displays a counter for real-time notifications and messages from administrators and ALEKS Customer Support. Students are alerted when there is a new notification. A number appears above the bell to show the number of unread notifications. When the bell icon is selected, a box displays a list of chronological notifications with the newest at the top. After viewing the new notification, the number disappears.

**How to Find It:** Located in the header bar at the top of first-level pages in the Student Module.
