The UTEP Upward Bound Summer Program will begin on Monday, June 10th, and end on Friday, July 19th. The summer program will run from Monday to Friday, 9:00AM to 3:30PM. All UB students attending the summer program must report to the Physical Sciences Bldg., room 208, 9:00AM – 3:30PM on June 10th for an orientation session that will provide summer program information.

Only those students who are attending a UB Math/Science program or mandatory summer school are excused from the summer program. If you are required to go to summer school to make up credits, you must bring a summer school enrollment form that is signed by the school official who is authorizing your summer school enrollment. If you have not done this by May 18th, you will need to fax or bring the form to Dave (for El Paso) or Lilian (for Ysleta), no later than May 25th.

During the last two weeks of the summer program, UB rising sophomores & juniors will participate in the program’s STEM components: UTEP Excellence in Technology, Engineering and Science (ExciTES) program or TECH-E summer camp. Rising seniors will participate in an on campus internship program.

The Upward Bound Class of 2019 will have its Commencement Ceremony on May 18th in the UTEP Union Cinema at 10:30AM. The graduates, their guests, the Upward Bound students, and members of the UB faculty and staff will attend the ceremony. After the graduation ceremony, the graduates and their invited guests will attend a reception, 12PM-3PM, in their honor in the Tomas Rivera Conference Center.
