**Note:** VPN connection is required when accessing SPSS from off campus.

For instructions on how to connect to VPN [CLICK HERE](#)

After installing IBM SPSS look for the app **“IBM SPSS Statistics 26 License Authorization Wizard”**

Click **Next**
Choose the option **Concurrent user license**

Under License Manager name or Server IP Address type `itdsrvcss05.utep.edu` and then click **Next**
Click **Finish** and start using IBM SPSS.
