

CAMPUS ACADEMIC SUPPORT SERVICES

The University of Texas at El Paso (UTEP) provides students with multiple academic support services across campus. These services are available for students who seek help across different areas of study. The main goal for all the academic support services on campus is to help students succeed during their academic careers.

MINER LEARNING CENTER

MLC offers professor, section based supplemental instruction and tutoring. The professors handpick the students, so visiting students are sure to have accurate, professor based assistance.
