Welcome to UT Benefits

Insurance, Wellness, and Retirement programs offered to you through the UT System Administration
Office of Employee Benefits

The Office of Employee Benefits (OEB) was established by the Texas Insurance Code and complies with state laws and statutes pertinent to employee benefits for The UT System. Chapter 1601 of the Code governs all UT group insurance programs. OEB is responsible for the overall administration of contracts for the group insurance and voluntary retirement programs for all UT institutions.

Each institution may provide its own additional programs and resources outside of the group insurance to meet the needs of that institution’s employees. The Benefits and Human Resources Offices at each location are the primary point of contact for all employees and retired employees. They maintain and administer all employment records and information related to your UT employment including eligibility and payroll.

Lastly, our insurance and retirement program vendors are the resource for plan-specific details and services. Contact information for OEB, your institution’s HR/Benefits Office, and plan vendors is located at the back of this guide.

This handbook is provided as an overview of terms and conditions of the insurance, retirement and wellness programs for The University of Texas System. The Office of Employee Benefits along with our vendors maintains a wealth of information regarding the programs and services offered through group insurance. All plan information can be accessed through the OEB website. Here is an overview of specific information available to you:

Chapter 1601 – The Chapter in the Texas Insurance Code that governs the Uniform Group Insurance Programs for the employees of The University of Texas System and Texas A&M University.

OEB Administrative Manual – Contains the policies and procedures for the Office of Employee Benefits (OEB) at The University of Texas System (System).
Plan Guides – Detailed plan information for each insurance type—may also be known as “the certificate”.
Legal Notices – Federally required notices related to your insurance benefits.

These publications can be found online at www.utsystem.edu/offices/employee-benefits/forms-and-publications or may be obtained by request from your institution’s Benefits Office.

The University of Texas System reserves the right to amend, change or terminate the health and welfare benefit plans, any underlying contracts or any other programs, at any time and without notice, at its sole discretion, according to the terms of the applicable plans or programs.

Effective September 1, 2015 this Booklet supersedes all previous editions, including undated mailings and revisions as well as all other University of Texas System policies either written or oral that refer to UT Benefits. The University of Texas System reserves the right to interpret the provisions of the Booklet and to amend any provisions thereof. The controlling document is the version found online at: www.utsystem.edu/offices/employee-benefits/forms-and-publications. If there is any ambiguity or inconsistency between a printed copy of the document and the online version, the terms of the online document will control and are final. If there is any ambiguity or inconsistency between this document and Chapter 1601 or current policy, the current policy or terms of Chapter 1601 control and are final. You may request a printed copy of the latest edition at any time.

☐ Attend orientation and view presentations on the OEB website

☐ Contact your institution’s Benefits Office, the plan vendor, or OEB for questions

☐ Enroll within 31 days of your date of hire

☐ Complete evidence of insurability (EOI) if necessary within 31 days of the initial period of eligibility

☐ Submit dependent documentation if necessary within 31 days of the initial period of eligibility

☐ Keep a copy of your enrollment summary

☐ Check your first paycheck after your benefits effective date to be sure your coverage is correct

☐ Complete beneficiary information for life, accidental death and dismemberment (AD&D), voluntary retirement accounts, and TRS/ORP

☐ Look for new ID cards and a FLEX Debit Card (if enrolled in HCRA) within two weeks of your effective date

☐ Register for online resources – see vendor information at the back of this handbook

☐ Review Voluntary Retirement Program information and select a provider. You may add or change your voluntary retirement program at any time.

☐ Contact your institution’s Benefits Office within 31 days of a change of status event if you need to make changes to your benefits during the year
Group Insurance Benefits
Eligibility and Enrollment

Eligibility

EMPLOYEES
In general under state law, you are eligible for benefits as a full-time employee if:
1) You work at least 40 hours per week or have a full-time appointment, 2) your appointment is expected to continue for at least 4 ½ months, 3) you are eligible to participate in TRS or ORP, and 4) you are not currently insured by another state-sponsored medical insurance plan.

You are eligible for benefits as a part-time employee if:
1) You work at least 20 but less than 40 hours per week, or have at least a 50% appointment, 2) your appointment is expected to continue for at least 4 ½ months, 3) you are eligible to participate in TRS or ORP, and 4) you are not currently insured by another state-sponsored medical insurance plan.

This enrollment guide specifically refers to the above group of eligible employees. Although certain provisions highlighted in this guide may apply to other groups of employees, there may be instances in which, due to your appointment, some details may not apply to your specific situation.

Under federal law, employees working 30 or more hours per week who do not meet state benefits-eligibility requirements may be eligible to enroll in certain medical coverage offered by your employer. Please check with your institution’s HR or Benefits Office for additional information if you think you may be eligible.

Certain non-employee Post-Doctoral Fellows and Graduate Students, working, or some employees who work an average of 30 hours a week but are not otherwise eligible for UT Benefits may be eligible for some or all components of UT Benefits. Contact your institution’s benefits office for more information.

DEPENDENTS
You may enroll your eligible dependents for certain UT Benefits coverage.

Eligibility to participate in certain UT Benefits coverage as a dependent is determined by law. Because of changes made by the federal Affordable Care Act (ACA), your children (including stepchildren and adopted children) are eligible for the UT SELECT Medical plan, regardless of marital status, until they reach the age of 26. Eligibility of dependents who do not qualify as your spouse or child (such as eligible grandchildren), ends at age 25 for all UT Benefits coverage, including the UT SELECT Medical plan. Eligible dependents are:
• Your spouse;
• Your children, including stepchildren and adopted children, who are:
  • under age 26 for the UT SELECT Medical plan,
  • unmarried and under age 25 for other UT Benefits (Dental, Vision, Life, AD&D);
• Your unmarried grandchild(ren) under age 25, provided the child meets the requirements which includes proof that you claim the child as your dependent for federal tax purposes;
• Certain children over age 25 (over age 26 for the UT SELECT Medical plan), who are determined by OEB to be medically incapacitated and are unable to provide their own support; and
• Children for whom you are named a legal guardian by a court or who are the subject of a medical support order requiring such coverage.

Examples of dependents that are not eligible for UT Benefits include:
• your former spouse;
• your married child (for coverage other than UT SELECT Medical);
• your child over age 25 (age 26 for UT SELECT Medical), if not medically incapacitated and unable to provide their own support;
• your grandchild, if they are married or over age 25;
• foster children covered by another government program, unless coverage is required by law or court order;
• any dependent insured in the same plan type by another UT employee or retired employee;
• any dependent insured by another plan that receives State of Texas premium contributions; or
• any dependent who is on active duty in the armed forces of any country (for coverage other than UT SELECT Medical).
PREMIUM SHARING

Premium Sharing refers to the funds contributed by the State and your institution to pay for some or all of the cost of the Basic Coverage Package (Medical, Basic Life and AD&D insurance for employees).

The amount of Premium Sharing depends on your employment appointment, and in most cases is:

For full-time employees who are benefits-eligible under state law: 100% of employee premiums for the basic coverage package, and 50% of the premiums for your dependents’ medical coverage.

For benefits-eligible part-time employees: 50% of employee premiums for the basic coverage package, and 25% of the premiums for your dependents’ medical coverage.

If you are a part-time employee who is eligible for benefits because of your status as a graduate student, UT and the State of Texas will pay 50% of your premiums for the basic coverage package, and up to 25% of the premiums for your dependents’ medical coverage. Your institution may also choose to supplement premiums for its graduate student employees. For more information, contact your institution’s Benefits Office.

If you are a benefits-eligible employee with coverage under another group health plan and elect to waive the basic coverage package, you are eligible to use state premium sharing (50% if you are full-time and 25% if you are part-time) to purchase one or more of the following optional coverages that are paid on a pre-tax basis: Dental, Vision, and Voluntary Accidental Death and Dismemberment. If you waive, you will not be enrolled in Basic Group Life Insurance or Basic Accidental Death and Dismemberment (AD&D) insurance. See rates on page 44.

SURVIVING DEPENDENT BENEFITS

The surviving spouse or other benefits-eligible dependent of an employee or retired employee who, on the date of the employee’s death, had at least five (5) years of Teacher Retirement System of Texas (TRS) or Texas Optional Retirement Program (ORP) creditable service, including at least three (3) years with UT as a benefits-eligible employee at the time of death, is eligible for benefits as a surviving dependent if the dependent had been participating in UT Benefits at the time of the employee or retired employee’s death.

A surviving spouse may continue UT Benefits coverage they are enrolled in at the time of the employee’s death for the remainder of the surviving spouse’s life. A dependent child may continue until the child loses his or her status as a dependent child. The dependent of an individual who has not met the service requirements at the time of death may elect COBRA coverage for a period not to exceed 36 months. Surviving dependents are not eligible for Premium Sharing.
Enrollment

INITIAL PERIOD OF ELIGIBILITY FOR EMPLOYEES
You have 31 days from your hire date (initial period of eligibility) to complete benefits enrollment. Employees moving from a non-benefits eligible status to a benefits-eligible status also have 31 days from their change of status (initial period of eligibility) to complete benefits enrollment. Enrolling in certain insurance coverage may require evidence of insurability (EOI) or dependent documentation.

If elections are not made within the 31-day initial period of eligibility, you will be required to wait until the next Annual Enrollment or a qualified change of status event to make changes, including adding or dropping coverage. Annual enrollment occurs each July 15 – 31.

Your institution’s Benefits Office will provide you with information on how to enroll or make changes to your benefits.

WAITING PERIOD
Newly hired employees and their dependents may be required to satisfy a waiting period before enrollment in the UT SELECT Medical plan is allowed. The waiting period can be up to 90 days depending on the date your employment begins.

You may enroll in coverage for the voluntary plans within your initial period of eligibility and may begin receiving voluntary plan benefits on your date of hire or the first of the following month. If EOI is required and approved, the coverage will begin the first of the month following approval of your application.

EVIDENCE OF INSURABILITY (EOI)
Evidence of insurability (EOI) is the record of a person’s past and current health events. EOI is used by insurance companies to verify whether a person meets the definition of good health. An EOI form is required to:

- Add short-term or long-term disability coverage or any amount of employee voluntary life insurance coverage during annual enrollment
- Increase, add, or reinstate employee voluntary group term life insurance greater than 3 times annual salary at any time; or
- Increase, add or reinstate additional spouse voluntary group life insurance coverage.

EVIDENT DOCUMENTATION
UT requires supporting documentation when you request to add a dependent to your plan. Be prepared to provide proof of eligibility such as your marriage certificate, your child(ren)’s birth certificates, appropriate adoption paperwork, federal tax forms or other documents that support the dependent relationship. This paperwork is required not only to support the coverage of eligible dependents but also to support a mid-year change of status such as marriage or birth of a child.

For medically incapacitated dependents, medical files documenting incapacitating condition and dependency must be submitted within 31 days of initial eligibility for enrollment of an incapacitated dependent.

Misrepresentation of benefit eligibility requirements constitutes a violation of OEB’s official policy. A verified misrepresentation by an employee or retired employee shall be reported by OEB to the appropriate institution for investigation and possible sanctions. Possible sanctions for such a violation range from a reprimand to dismissal.

In addition, reimbursement may be required for any benefits paid to an ineligible individual. Deliberate misrepresentation of dependent eligibility by an employee or retired employee may constitute criminal fraud and may result in a referral to a law enforcement office. Any ineligible dependent may be terminated from plan participation upon discovery of ineligibility.
**Beneficiary Information**

It is important to designate beneficiaries for all of your insurance and retirement accounts that require them. If you don’t, state laws may cause death benefits to be distributed differently than you had planned, may result in additional taxes, and may unnecessarily delay the process of finalizing payment to your loved ones. You should regularly review and, if necessary, update your beneficiary designations.

For your UT Benefits group term life and AD&D insurance (which you receive even if you only have the basic coverage), you can review your beneficiary information and make updates any time online by accessing the Dearborn National Online Beneficiary Management system through My UT Benefits at [www.utsystem.edu/myutbenefits](http://www.utsystem.edu/myutbenefits). If you have not completed a beneficiary designation or you need to revise your designation, you should complete or update your designation as soon as possible. If you have questions or are unable to access the online system, please contact Dearborn National Customer Service at (866) 628-2606 (available Monday through Friday from 7 a.m. to 7 p.m. central time) for assistance.

If you are a member of the Teachers Retirement System (TRS), you should download the TRS beneficiary designation form and return the form directly to TRS. For more information, go to the TRS website at [www.trs.state.tx.us/](http://www.trs.state.tx.us/) or call 1-800-223-8778.

If you are a participant in the Optional Retirement Program (ORP), or the voluntary UTSaver Tax-Sheltered Annuity (TSA) or UTSaver Deferred Compensation Plan (DCP), you should always be sure that a current beneficiary is on file for each of these retirement accounts. You can download the appropriate beneficiary designation form and return the completed form directly to your specific retirement provider. For more information, please go to [www.utsystem.edu/offices/employee-benefits/approved-providers](http://www.utsystem.edu/offices/employee-benefits/approved-providers).

**Change of Status**

You have 31 days from the date of a qualified change of status event to notify your institution’s Benefits Office and complete changes to your benefits that are consistent with that event. If you do not make your eligible changes during the 31-day status change period, your changes cannot be made until the next Annual Enrollment in July, to be effective the following September 1.

The list below includes common examples of qualified change of status events:

- marriage, divorce, annulment, or spouse’s death;
- birth, adoption, medical child-support order, or dependent’s death;
- significant change in residence if the change affects you or your dependents’ current plan eligibility;
- starting or ending employment, starting or returning from FMLA, or other change of job status (e.g., from non-benefits eligible part-time to full-time) affecting eligibility;
- change in dependent’s eligibility (e.g., reaching age 26 for UT SELECT Medical, marriage or reaching age 25 for all coverage other than UT SELECT Medical, or gaining or losing eligibility for any other reason); or
- significant change in coverage or cost of other benefit plans available to you and your family.

An employee

- whose dependent loses insurance coverage under the Medicaid or CHIP program as a result of loss of eligibility of either the employee or the dependent; or
- whose dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP

may enroll this dependent in the basic coverage under UT Benefits, as long as the dependent meets all other UT eligibility requirements and is enrolled within 60 days from the date of the applicable event. If enrollment of the dependent is conditioned on enrollment of the employee, the employee will also be eligible to enroll.

**Note:** EOI and dependent documentation may be required for some benefit changes following a qualified change of status event.

You may enroll in or make changes to benefits within the applicable time frame through your institution’s HR/Benefits Office.
WHEN BOTH SPOUSES WORK FOR UT

If you and your spouse both work for UT, you will need to make some choices on how you enroll in benefits. Below are some tips to help you make these enrollment decisions and avoid enrollment errors.

BASIC COVERAGE PACKAGE
In general, it is best to enroll separately in medical to take advantage of your premium sharing and get the $20,000 Life and AD&D coverage that is included in the basic employee package. One spouse may not waive the basic coverage to use the ½ premium sharing to pay for optional coverage (dental, vision, and voluntary AD&D).

DENTAL, VISION, VOLUNTARY LIFE, AND VOLUNTARY AD&D
You may not be enrolled as both the employee AND dependent spouse on the same plan type and dependent children may not be enrolled twice in the same plan type. Here are some dual UT spouse enrollment tips:
• One spouse covers the whole family, including other spouse and child(ren), in dental/vision since this results in the lowest overall premium cost.
• Each spouse enrolls in their own Voluntary Life and AD&D coverage since this allows for the greatest benefit.
• Only one spouse adds dependent child Voluntary Life/AD&D since the child(ren) cannot be enrolled more than once in the same plan.

FLEX FLEXIBLE SPENDING ACCOUNTS

Health Care Reimbursement Accounts (HCRA) – For qualified healthcare expenses
Each spouse may enroll in HCRA up to the full annual limit for HCRA and use the money on eligible healthcare expenses for any eligible dependent.

**If both spouses enroll in HCRA make sure you don’t file for reimbursement for the same claim.

EXAMPLE 1: Pat and Rene both work for UT. They have 5 children and a lot of healthcare expenses so they both enroll in the maximum allowed HCRA. Child Talia gets sick and has a doctor visit and needs a prescription. Pat uses the UT FLEX Debit Card to pay for these items. Chris may not submit a claim for reimbursement for these same expenses.

Cindy and Todd both work for UT. They each elect $1,000 in HCRA. Cindy has to have some unexpected dental work and exhausts her UT FLEX election early in the plan year. Todd takes advantage of his wellness program and is able to stop taking some medications so he has more UT FLEX money remaining. He can use some of his HCRA to buy Cindy some new glasses.

Dependent Daycare Reimbursement Accounts (DCRA) – For daycare expenses
The IRS limits the amount that can be contributed to DCRA. Married individuals who file separate tax returns are limited to a $2,500 contribution annually. You may contribute up to $5,000 if you are married and file a joint tax return, provided both you and your spouse each earn more than $5,000 annually. If one of you earns less than $5,000 during the year, you are limited to a maximum spending account contribution equal to the salary of the lowest-earning spouse.
Plan Information

BASIC COVERAGE PACKAGE
UT Benefits includes the following basic coverage package for all eligible employees:

| UT SELECT MEDICAL PLAN, WITH PRESCRIPTION DRUG COVERAGE | $20,000 BASIC GROUP LIFE INSURANCE | $20,000 BASIC ACCIDENTAL DEATH AND DISMEMBERMENT (AD&D) |

OPTIONAL COVERAGE
Benefits-eligible employees may select the following Optional Coverage(s) for themselves and their eligible dependents, unless stated otherwise:

- UT SELECT MEDICAL PLAN, WITH PRESCRIPTION DRUG COVERAGE FOR YOUR ELIGIBLE DEPENDENTS (ENROLLMENT IN THIS PLAN IS AUTOMATIC FOR FULL-TIME EMPLOYEES)
- UT SELECT DENTAL INSURANCE
- UT SELECT DENTAL PLUS INSURANCE
- DELTACARE USA DENTAL HMO
- SUPERIOR VISION INSURANCE
- SUPERIOR VISION PLUS INSURANCE
- VOLUNTARY GROUP TERM LIFE INSURANCE
- VOLUNTARY ACCIDENTAL DEATH & DISMEMBERMENT (AD&D) INSURANCE
- SHORT-TERM DISABILITY (STD) INSURANCE (FOR EMPLOYEES ONLY)
- LONG-TERM DISABILITY (LTD) INSURANCE (FOR EMPLOYEES ONLY)
- UT FLEX HEALTH CARE REIMBURSEMENT ACCOUNT (HCRA)
- UT FLEX DEPENDENT CARE REIMBURSEMENT ACCOUNT (DCRA)
TOBACCO PREMIUM PROGRAM (TPP)

The use of tobacco is one of the leading preventable health risks worldwide. Because UT System is committed to promoting a culture of wellness and disease prevention, and also recognizes the costs associated with treating tobacco related health conditions, members age 16 and over enrolled in the UT SELECT Medical plan pay a monthly surcharge in addition to the premium normally charged for UT SELECT Medical plan coverage of $30 per month if they use tobacco. All members will be required to provide a declaration regarding their tobacco use as a condition of enrollment in UT SELECT.

Members must declare if they are tobacco users. A “tobacco user” is defined as a person who has used tobacco products within the past sixty (60) days.

Members who declare they are non-tobacco users must not have used tobacco products within the past sixty (60) days from the day this declaration is signed.

All types of tobacco products are included as part of the Tobacco Premium Program, including, but not limited to: cigarettes, cigars, pipes, all forms of smokeless tobacco (chewing tobacco, snuff, dip, or any other product that contains tobacco), clove cigarettes and any other smoking devices that use tobacco such as hookahs. E-cigarettes, which contain nicotine, are considered a tobacco product.

Exception to Tobacco Use Premium

An exception to the tobacco premium may apply for a tobacco user who has been diagnosed with an uncontrolled health factor and whose physician advises against stopping the use of tobacco. Tobacco users who qualify under this provision, should submit a statement from their treating physician in order to waive the tobacco premium. The Physician Statement Form can be submitted anytime during the year to your institution HR/Benefits Office, and the tobacco premium will be waived beginning the first of the month following submission of the form.

Important: A member is responsible to submit a Physician Statement Form every plan year to avoid charges of the Tobacco Premium Program.
UT SELECT Medical Plan

UT offers UT SELECT, a self-funded medical PPO plan, administered by Blue Cross and Blue Shield of Texas, a Division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association.

When you enroll in UT SELECT, you can receive care from any licensed doctor you choose; no referrals are required. If you use a network doctor, you will receive the highest level of benefits, pay less out-of-pocket, and will usually not have to file any claims. If you use an out-of-network doctor, you will still be covered, but your out-of-pocket costs for health care services will be substantially higher.

In-Area Benefits - Benefits available to UT SELECT participants living in Texas, New Mexico and Washington, D.C.

Out-of-Area - Out-of-Area benefits apply only to those UT SELECT participants whose residence of record is outside of Texas, New Mexico and Washington, D.C.

UT SELECT AND MEDICARE

ACTIVE EMPLOYEES

In most cases, an active employee or dependent of an active employee enrolled in UT SELECT should enroll in Medicare Part A and decline Parts B and D once eligible, typically at age 65. Once you retire, you and your Medicare-eligible dependent(s) should then enroll in Part B without penalty and continue to waive Part D. In most instances, if you are eligible for Medicare and are working at UT in a benefits-eligible position for at least 20 hours per week, your UT medical plan will be primary for you and your covered dependent, regardless of age, and Medicare will be secondary. Medicare may be primary for some Medicare-eligible active employees or their dependents with certain medical conditions such as end stage renal disease (ESRD) or ALS. Consult with your local Social Security Administration office to learn what illnesses qualify for Medicare coverage prior to turning age 65.

KEY TERMS AND EXAMPLES

**Allowed Amount** – Maximum amount on which payment is based for covered health care services. Sometimes, this is referred to as "eligible expense", "payment allowance", or "negotiated rate." If your provider charges more than the allowed amount, you may have to pay the difference (balance billing) which can be significant. In-Network providers agree to the allowed amount for covered services.

**Annual Deductible** – The amount of out-of-pocket expense the member pays in a plan year (September 1 – August 31) for health care services before the plan begins to pay. The deductible does not apply to all services, and copayments are not applied to the deductible met.

**Annual Out-of-Pocket Maximum** – The amount of out-of-pocket expense the member pays for eligible expenses in a plan year (September 1 – August 31). This limit never includes your premium, balance-billed charges or health care the plan doesn’t cover. The bariatric expenses also do not count toward this limit.

The $2,150/$6,450 limit includes medical coinsurance only (no copayments or prescription plan costs). There’s an additional limit including copayments and prescription costs such that in no case will the eligible in-network out-of-pocket expenses including medical and prescription deductible, coinsurance, and copayments be greater than $6,600 for employee only coverage or $13,200 for employee plus dependent coverage (Subscriber plus spouse, subscriber plus child(ren), or subscriber plus family).

**Benefits Value Advisor (BVA)** – A Benefits Value Advisor is a health care expert who uses data, cost estimators, provider-finders and other tools to provide consumers with choices that allow them to maximize their health care benefits. Contact the BVA at 866-882-2034. Calling this number prior to a non-emergency office or outpatient MRI or CT Scan will allow the $100 copayment to be waived.

**FCP** – Family Care Physician; Includes Family Practice, Internal Medicine, OB/GYN, and Pediatrics.

YOUR HEALTH CARE BENEFITS TRAVEL WITH YOU

Your UT SELECT Medical ID card features the Blue Cross and Blue Shield symbols and the PPO in a suitcase logo telling providers that you are part of the BlueCard program. This means you and your covered dependents have access to Blue Cross and Blue Shield network providers throughout the United States and around the world. To receive the network (highest) level of benefits when you need to seek care, please call 1-800-810-BLUE (2583) printed on your Medical ID card.

**TRANSITIONAL BENEFITS**

If you or a covered dependent are being treated for certain chronic or ongoing medical conditions at the time you enroll in UT SELECT, and your doctor is not in the UT SELECT PPO network, ongoing care with your current doctor for up to three months may be requested.

Transitional benefits are subject to approval. To request transitional benefits, complete a "Transitional Benefits Form" available from your institution’s Benefits Office or online at [www.bcbstx.com/ut](http://www.bcbstx.com/ut).
UT SELECT Prescription Drug Plan

Your prescription drug benefits under UT SELECT are administered by Express Scripts and require a $100 annual deductible per plan participant, per plan year separate from the medical plan deductible. The deductible and allowed member cost share apply to the whole plan out-of-pocket limit.

If you purchase a preferred or non-preferred drug when a less expensive generic alternative drug is available, you must pay the difference between the cost of the brand name drug and the generic drug plus the applicable generic copayment. This difference does NOT count toward your annual deductible. Sometimes the cost difference is quite large. Below is an example of how this type of claim would process if you had already met your $100 annual deductible:

- Cost of brand name drug $150
- Less cost of generic equivalent $55
- Plus cost of generic copayment $10
- Your payment $105

The generic, preferred, or non-preferred list of covered drugs is reviewed periodically resulting in changes to the prescription drug list throughout the year. If you are taking a medication that is affected by one of these changes, Express Scripts will mail a letter to your address on file to alert you of the change in benefits. Please refer to the Express Scripts website (www.express-scripts.com/ut) or call Express Scripts Customer Service (1-800-818-0155) for current information on specific medications.

YOUR PRESCRIPTION DRUG PLAN AND MEDICARE PART D

The Federal Medicare program provides a Medicare-approved prescription drug benefit – Medicare Part D. The University of Texas System continues to offer your current UT SELECT prescription drug benefit, and enrollment in Medicare Part D will have a negative financial impact for most UT participants.

UT strongly urges you NOT to enroll in the Medicare Part D program. UT is committed to providing your prescription drug coverage now and in the future and to helping you make informed choices about your prescription drug benefit. For a relatively small number of very low-income UT retirees, enrolling in Medicare Part D may save money if the retiree also qualifies for a "low income subsidy" provided as part of the Medicaid Part D Program. Please see the Medicare Part D Notice of Creditable Coverage in the Legal Notices section of this handbook. For more information about the low income subsidy, call 1-800-772-1213 or visit www.socialsecurity.gov.
Dental

UT Benefits and Delta Dental Insurance Company provide three plan options for employees and their families.

DENTAL PPO PLANS

UT Benefits offers two dental PPO plans for you to choose from based on the level of benefits your family needs. Both dental PPO plans allow you the freedom to choose from any licensed dentist though you will save when you use a Delta Dental DPO or Delta Premier network provider.

UT SELECT DENTAL PLAN
(Standard Self-funded Dental PPO Plan)
– good for standard dental insurance needs

UT SELECT DENTAL PLUS PLAN
(Enhanced Self-funded Dental PPO Plan)
– greater benefits than the standard UT SELECT Dental Plan

DENTAL HMO PLAN

DeltaCare USA Dental HMO Plan - (Fully-Insured Dental HMO Plan) Available in Austin, Dallas/Ft. Worth, Galveston, Houston, and San Antonio. There is also limited availability in El Paso, Tyler, and part of the Rio Grande Valley. Plan eligibility is based on your zip code. Ask your institution’s Benefits Office if you are eligible to enroll in the DeltaCare Dental HMO. You must select and receive services from a DeltaCare plan dentist to use the benefits under this plan.

DeltaCare USA plans feature:

- Set copayments.
- No annual deductibles and no maximums for covered benefits.
- Low out-of-pocket costs for many diagnostic and preventive services (such as professional cleanings and regular dental exams).

Choosing your DeltaCare USA dentist

When you enroll, you choose a DeltaCare USA Primary Family Dentist to receive benefits under your plan. You must visit your selected DeltaCare USA dentist to receive benefits under your plan. To find the most current listing of DeltaCare USA network dental offices:

- Visit the Delta Dental website at www.deltadentalins.com/universityoftexas and go to the “Find a Dentist” box on the home page.
- Select “DeltaCare USA” as your plan network, click “Search”, and follow the instructions.

You can also call Customer Service for help in finding a dentist. If you do not select a dentist, Delta Dental will select a dentist for you. Family members may select a different dentist for treatment within the covered service area. Refer to your plan booklet for details.

5 Overages on standard progressive lenses will be the member’s responsibility.

Additional discounts are available on LASIK, lens options and upgrades and mail-order contacts.

All costs and allowances are retail; you are responsible for any charges in excess of the retail allowances. All final determinations of benefits, administrative duties, and definitions are governed by the certificate of insurance for your specific benefits.
Group Term Life and Accidental Death and Dismemberment Insurance

Group term life (GTL) insurance can help ensure financial security for your family and loved ones upon your death. Accidental death and dismemberment (AD&D) insurance gives you added financial protection by paying full benefits in the case of accidental death and partial benefits for certain losses due to accidental injury. UT System, through the vendor Dearborn National, provides eligible employees with basic GTL and AD&D as part of the basic coverage package. Benefits-eligible employees also have the opportunity to purchase additional employee and dependent coverage at group rates.

BASIC GROUP TERM LIFE (GTL) BENEFITS

Basic group term life insurance in the amount of $20,000 is a part of the basic coverage package. Full time eligible employees enrolled in the UT SELECT Medical plan are automatically enrolled in the basic GTL at no cost and without Evidence of Insurability (EOI).

*Employee must be enrolled in Employee Voluntary GTL benefits in order to elect benefits for spouse and/or dependent children.

Active employees who participate in an alternative UT System health institution life plan are not eligible to participate in the Voluntary Group Term Life plan offered under Dearborn National.

The dependent voluntary GTL premium provides coverage of $10,000 for each eligible dependent regardless of how many dependents are covered. Employee Voluntary GTL and Additional Spouse Voluntary GTL premium is based on the enrolled person’s age and benefit coverage level. Please see the rates in the Resources section of this guide.

BASIC ACCIDENTAL DEATH AND DISMEMBERMENT (AD&D) BENEFITS

Basic accidental death and dismemberment (AD&D) insurance in the amount of $20,000 is part of the basic coverage package. Full time eligible employees enrolled in the UT SELECT Medical plan are automatically enrolled in the basic AD&D at no cost and without evidence of insurability (EOI).

Active employees who participate in an alternative UT System health institution life plan are not eligible to participate in the Voluntary AD&D plan offered under Dearborn National.

All amounts of AD&D coverage are guaranteed issue. No EOI is required for any increases in AD&D benefits during annual enrollment or during the plan year following a qualified change in status event.
Disability Insurance

Disability insurance replaces a portion of your income if you suffer a prolonged illness or non-work related injury that prevents you from doing your job. Dearborn National provides short-term disability (STD) and long-term disability (LTD) insurance benefits for active benefits-eligible UT System employees. This benefit is not available for dependents.

Benefits under STD and LTD will be reduced by deductible sources of income or other disability benefits received from other sources. Your total disability pay, including other sources of income, cannot be more than 60% of your weekly earnings.

Note: The LTD program does not cover long-term care services.

**IMPORTANT**

You may add up to three (3) times your salary in Voluntary Life Insurance coverage or Disability coverage without Evidence of Insurability (EOI) during your newly eligible enrollment window.

If you try to add this coverage at another time, you may be considered a late entrant and be required to pass EOI.
A flexible spending account (FSA) is a way to set aside money from your earnings before taxes are withheld to pay certain out-of-pocket health care expenses and qualifying dependent day care expenses.

As you incur health care or dependent day care expenses throughout the plan year, you will be reimbursed with tax-free dollars from your UT FLEX account(s). This reduces the amount you pay in taxes and increases your spendable income. If you are enrolled in HCRA, you also have the added convenience of the UT FLEX Debit Card to pay for eligible expenses at the point of service.

IMPORTANT INFORMATION ABOUT UT FLEX

“USE IT OR LOSE IT.”

To qualify as a tax-exempt plan, the UT FLEX flexible spending accounts must comply with all applicable Internal Revenue Service requirements including forfeiture of unreimbursed funds. In other words, these UT FLEX spending account plans are “use it or lose it” plans. Any amounts you do not use throughout the plan year (and during the grace period for health-related expenses) will be forfeited, so it is very important to plan carefully. Review your prior year’s expenses to estimate your health care and dependent day care expenses for the upcoming plan year. Be conservative and plan only for predictable expenses.

COORDINATION WITH FEDERAL CHILD AND DEPENDENT CARE EXPENSES TAX CREDIT

If you plan to use a combination of the UT FLEX DCRA and the “Credit for Child and Dependent Care Expenses” on your federal income tax return, the amount you deposit in your DCRA will offset dollar-for-dollar the amount of expenses you are eligible to claim as a tax credit on your federal income tax return. You should carefully review the benefits of the federal income tax credit with the benefits of the UT FLEX DCRA. If you are not sure how this may impact you, consult your personal tax advisor before making your elections.
PLAN CAREFULLY
Any amount left in your account after the claims run-out period will be forfeited.

**Important:** The IRS limits maximum amounts for contributions to dependent day care accounts (January 1 through December 31). Your paycheck contributions are tracked by UT FLEX and your employing institution on a fiscal year (September 1 through August 31) basis. You and, if applicable, your spouse, not UT FLEX or your employing institution, are responsible for making sure that you do not exceed the IRS limits during each calendar year.

**IMPORTANT**

The UT FLEX Plan Year is September 1 to August 31, which is different from most FSA plans that operate on a calendar year. Pay attention to key dates:

- **August 31** | Deadline to incur DCRA expenses.
- **November 15** | Grace period ends. Last day to incur expenses on the HCRA from the previous plan year.
- **November 30** | Claim filing deadline for both DCRA and HCRA.
Living Well: Health & Wellness Program

The University of Texas System Living Well: Make it a Priority Worksite Health & Wellness program was established to encourage all employees, retirees, and dependents to reach their potential and maintain the productivity necessary to meet the challenges of work and life.

Our Living Well program goal is to enable you to take charge of your health by developing your own personal wellness program, using resources available through the Office of Employee Benefits and your UT institution. For more details please visit our website at www.livingwell.utsystem.edu or email us at livingwell@utsystem.edu.

LIFESTYLE MANAGEMENT (BCBSTX)

For participants who want to lose weight or stop smoking, UT SELECT coverage also features lifestyle management programs, composed of licensed masters level social workers and licensed professional counselors, who promote wellness through a holistic approach of behavioral coaching, clinical coaching, education and condition management. To enroll in a lifestyle management program, please call toll-free at (800) 462-3275.

CONDITION MANAGEMENT PROGRAM

These voluntary health improvement programs provided by BCBSTX can help members with congestive heart failure, coronary artery disease, chronic obstructive pulmonary disease, asthma, and diabetes. Go to www.livingwell.utsystem.edu or call (800) 462-3275.

24/7 NURSELINE

Get answers to your health care questions, information about major medical issues, chronic illness support, and lifestyle change support. Call toll-free: (888) 315-9473, 24 hours a day, 7 days a week.

EXPERT PHARMACIST HELP

If you have been diagnosed with high cholesterol, diabetes, or any other condition, pharmacist specialists can offer you support on your pharmacy case. Learn more: (800) 818-0155.

EMPLOYEE ASSISTANCE PROGRAM

The Employee Assistance Program (EAP) can help you resolve problems that affect your personal life or job performance. Learn more about this free program at: www.livingwell.utsystem.edu/worklife.htm.
PHYSICIAN EXERCISE REFERRAL
Individuals with medical conditions that can be improved by physical activity are able to receive reimbursement from their healthcare flexible spending account to pay for some exercise programs or equipment. A Letter of Medical Necessity is required for all exercise referrals. For details and more information, visit www.utsystem.edu/offices/employee-benefits/ut-flex-active-employee.

ONSITE HEALTH CHECKUPS
This checkup, similar to what you might receive at your doctor’s office, is designed to identify issues that may affect your health and help you get them under control before they become serious. Participating institutions will be communicating the dates via email and posters.

ONSITE FLU SHOTS
Flu Shots may be available at your institution at no cost to you. Details will be sent via email and our “A Matter of Health” newsletter during September/October 2015.

PHYSICAL ACTIVITY CHALLENGE
Each spring, team up with your institution for the Physical Activity Challenge. You’ll receive a weekly goal and can work with colleagues towards earning your institution the coveted Traveling Trophy. Learn more about our challenges at www.livingwell.utsystem.edu/getactive.htm.

The following Institutions were awarded the 2015 Traveling Trophies:

• 2015 UT Activity Challenge Small Institution Champion: UT System Administration
• 2015 UT Activity Challenge Medium-sized Institution Champion: UTHealth
• 2015 UT Activity Challenge Large Institution Champion: UTMB Galveston

FREE RESOURCES TO HELP YOU QUIT TOBACCO
The UT System is committed to helping tobacco users quit the habit by offering our UT SELECT covered members: Smoking/Tobacco Cessation Programs, Pharmaceutical Therapy, and Nicotine Replacement Therapy (NRT) at no cost to the member. If Employment or Eligibility Ends

If you or your dependents lose benefits eligibility (termination, change in hours, divorce, or reaching the dependent age limit), coverage you have in place will continue through the end of the month in which the eligibility ends. You have options to continue certain coverage as outlined in this section.

Your Rights to Continuation of Coverage Under COBRA

MEDICAL, DENTAL, VISION, AND UT FLEX HEALTH CARE REIMBURSEMENT ACCOUNTS

THIS NOTICE CONTAINS IMPORTANT INFORMATION ABOUT YOUR RIGHTS TO CONTINUE YOUR HEALTH CARE COVERAGE IN THE UNIVERSITY OF TEXAS (UT) SYSTEM GROUP MEDICAL, DENTAL, AND VISION PLANS AND YOUR UT FLEX HEALTH CARE REIMBURSEMENT ACCOUNT, IF APPLICABLE.

PLEASE REVIEW THIS NOTICE CAREFULLY AND SHARE WITH YOUR COVERED SPOUSE (IF APPLICABLE).

You are receiving this notice because you have recently become a participant in group health coverage offered by UT System (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under one or more of the Plans. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under one or more of the Plans when they would otherwise lose their group health coverage. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan’s Benefits Guide or contact the HR or Benefits Office at your UT Institution. Please see...
contact information for the HR/Benefits Offices at each UT Institution at the back of this guide.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse’s plan), even if that plan generally doesn’t accept late enrollees.

IMPORTANT INFORMATION ABOUT YOUR COBRA CONTINUATION COVERAGE RIGHTS

What is continuation coverage?
COBRA continuation coverage is a continuation of Plan coverage when it would otherwise have ended because of a life event known as a “qualifying event.” Specific qualifying events are listed below. After a qualifying event occurs, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of a qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happens:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to UT System, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA Coverage Available?
The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, commencement of a proceeding in bankruptcy with respect to the employer, or the employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events
For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the appropriate UT Institution’s HR or Benefits office within 31 days after the qualifying event occurs and provide appropriate documentation of the qualifying event, such as a copy of a finalized divorce decree.

How is COBRA Coverage Provided?
Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.
How long will continuation coverage last?

FOR MEDICAL, DENTAL, AND VISION COVERAGE:

In the case of a loss of coverage due to end of employment or reduction in hours of employment, coverage generally may be continued for up to a total of 18 months. In the case of losses of coverage due to an employee’s death, divorce or legal separation, the employee’s becoming entitled to Medicare benefits or a dependent child ceasing to be a dependent under the terms of the plan, coverage may be continued for up to a total of 36 months. When the qualifying event is the end of employment or reduction of the employee’s hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. The COBRA Application shows the maximum period of continuation coverage available to the qualified beneficiaries.

Continuation coverage will be terminated before the end of the maximum period if:

• any required premium is not paid in full on time,
• a qualified beneficiary becomes covered, after electing continuation coverage, under another group health plan that does not impose any pre-existing condition exclusion for a pre-existing condition of the qualified beneficiary (note: there are limitations on plans’ imposing a preexisting condition exclusion and such exclusions will become prohibited beginning in 2014 under the Affordable Care Act),
• a qualified beneficiary becomes entitled to Medicare benefits (under Part A, Part B, or both) after electing continuation coverage, or
• the employer ceases to provide any group health plan for its employees.

Continuation coverage may also be terminated for any reason that would result in the termination of coverage of a participant or beneficiary under the Plans who is not receiving continuation coverage (such as fraud).

FOR UT FLEX HEALTH CARE REIMBURSEMENT ACCOUNTS (HCRAS):

Employees experiencing a qualifying event may elect to continue an eligible UT FLEX HCRA through the end of the plan year for which the account was originally elected by making after tax monthly contributions to the account. Only UT FLEX HCRAs with a remaining balance at the time of your qualifying event that is equal to or greater than the total of all required monthly contributions for the rest of the plan year are eligible for continuation.

How can you extend the length of COBRA continuation coverage?

If you elect continuation coverage, an extension of the maximum period of coverage for medical, dental, and vision coverage may be available as described in the two following paragraphs if a qualified beneficiary is disabled or if a second qualifying event occurs during the continuation period. You must notify the plan administrator of a disability or a second qualifying event in order to extend the period of continuation coverage. Failure to provide timely notice of a disability or second qualifying event may affect the right to extend the period of continuation coverage.

DISABILITY

An 11-month extension of medical, dental, and vision COBRA coverage may be available if any of the qualified beneficiaries is determined by the Social Security Administration (SSA) to be disabled. The disability has to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. A copy of your SSA disability determination letter along with a written request to extend the COBRA period must be provided directly to the plan administrator prior to the end of the initial 18-month period of coverage in order to extend the maximum period for medical, dental and/or vision coverage. Each qualified beneficiary who has elected continuation coverage will be entitled to the 11-month disability extension if one of them qualifies. If the qualified beneficiary is determined by SSA to no longer be disabled, you must notify the Plan of that fact within 30 days after SSA’s determination.

SECOND QUALIFYING EVENT

An additional 18-month extension of medical, dental, and vision coverage may be available to spouses and dependent children who elect continuation coverage if a second qualifying event occurs during the first 18 months of continuation coverage. The maximum total period of continuation coverage available when a second qualifying event occurs is 36 months. Second qualifying events may include the death of a covered employee, divorce or separation from the covered employee, the covered employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both), or a dependent child’s ceasing to be eligible for coverage as a dependent under the Plan. These events can be a second qualifying event only if they would have caused the qualified beneficiary to lose coverage under the Plan if the first qualifying event had not occurred. You must notify the Plan within 60 days after a second qualifying event occurs if you want to extend your continuation coverage.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.
For more information

This notice does not fully describe continuation coverage or other rights under the UT Benefits Plans. More information about continuation coverage and your rights under the plan is available in your summary plan description or from the Plan Administrator.

If you have any questions concerning the information in this notice, your rights to coverage, or if you want a copy of your summary plan description, you should contact the HR or Benefits Office at the UT Institution where you (or your family member) are employed. Contact information for each UT institution’s Benefits Office is included at the back of this enrollment guide.

Employees seeking more information about COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, can contact the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) at 1-866-444-3272 or visit the EBSA website at www.dol.gov/ebsa.

Life Insurance

If you or your dependents lose eligibility for life insurance, your coverage may be converted or ported if your application is submitted to the life insurance vendor within 31 days of the end date of your coverage. For more information including complete details, rates and forms, please contact the vendor Dearborn National or see the information provided on their website.

CONVERSION

You and your dependents may be eligible to convert your life insurance to an individual whole life policy. You must have been enrolled in coverage for at least five years.

PORTABILITY

You and your dependents may be eligible to port your coverage, or continue the coverage under the same group policy, if you have been enrolled in the policy for at least one year. You may not port coverage when you retire. The maximum age for ported coverage is 65.

Long Term Disability

Conversion of Long-Term Disability (LTD) coverage is offered through Reliance Standard Life Insurance Company. The conversion plan allows you to convert your group LTD coverage provided by The University of Texas System, to a plan of LTD conversion coverage. Benefits and amounts of insurance under the LTD conversion coverage may differ from those under The University of Texas System’s group LTD policy. You are responsible for payment of all LTD conversion coverage premiums under this plan. This conversion coverage is intended to be a “transition” LTD plan if you have no other group LTD coverage option at the time of termination. The Long-Term Disability Conversion Plan coverage extends for up to one (1) year. Complete details, rates and forms are available from the vendor Dearborn National.

UT FLEX

Your participation in the UT FLEX plans ends at the end of the month in which your employment or benefits eligibility ends unless you extend the Health Care Reimbursement Account through COBRA. COBRA is not available for the Dependent Day Care Reimbursement Account. You may only incur expenses through the end of the month in which your participation ends, but your claims filing deadline is still November 30.

### Mandatory Retirement Programs

**THE TEACHER RETIREMENT SYSTEM OF TEXAS (TRS)**

| WHAT IS TRS? | TRS is a defined benefit retirement plan governed by Internal Revenue Code Section 401(a). All eligible employees of The University of Texas System are automatically enrolled in TRS on their first day of employment unless they are eligible for and elect to enroll in ORP. |
| WHO IS ELIGIBLE FOR TRS? | Texas law requires all benefits-eligible employees to be automatically enrolled in TRS at the time they are hired. Benefits eligible means expected to work at least 20 hours per week for at least 4 ½ months or more, excluding students employed in positions that require student status as a condition of employment. |
| HOW DOES TRS WORK? | Employee and employer contributions go into a large trust fund managed by knowledgeable professionals. |
| WHAT DOES “DEFINED BENEFITS PLAN” MEAN? | Benefits available from TRS are determined by a formula using a combination of years of service credit in TRS, annual salary and a multiplier established by state law. |
| WHEN CAN I RECEIVE A BENEFIT? | A TRS member has the right to receive a lifetime annuity after 5 years of service credit with TRS and upon meeting age and service requirements. |
| HOW CAN I EARN SERVICE CREDIT IN TRS? | The greater the number of creditable years of service, the greater the retirement benefit will be. For TRS purposes, your year begins every September 1st, and you will generally have attained credit for that year after working 90 work days. |
| CAN I BUY ADDITIONAL SERVICE CREDIT IN TRS? | You can purchase previously unreported TRS-eligible service, substitute service, out-of-state service, military service, developmental leave and previously withdrawn service to increase your creditable years of service. In some cases, purchases may be made with money rolled over directly from another qualified retirement account, such as your UTSaver Tax Sheltered Annuity or UTSaver Deferred Compensation Plan. Please contact TRS for more information regarding types of special service purchases, cost and payment options. |
| DOES TRS HAVE DEATH OR DISABILITY BENEFITS? | TRS offers both disability retirement and death benefits effective on your first day of employment. The disability retirement is dependent upon the number of years of service credit with TRS at the time of the disability. Your beneficiary is eligible for a lump sum death benefit of twice your annual salary up to $80,000 on your first day of employment. |
| I USED TO WORK UNDER THE EMPLOYEES RETIREMENT SYSTEM. WHAT DOES THAT DO FOR MY TRS ACCOUNT? | Service credited under the Employees Retirement System of Texas (ERS) can be transferred to TRS. Likewise, eligible members of ERS may transfer their TRS-credited service credit to ERS. Under both situations, you must have three years of creditable service with the receiving system. The transfer of service that has been actively maintained or reinstated takes place under the rules of the system to which the credit is transferred. Such transfer may only take place when the member retires or at the time that a pre-retirement death benefit becomes payable. Interested individuals should contact TRS for more information. |
| WHAT IF I WANT A REFUND OF MY TRS ACCOUNT? | If you terminate your employment in public education in Texas, you can request a refund of your TRS contribution amounts. When you refund your account, you lose the service credit, which could impair your ability to obtain retiree health insurance. |
| WHAT IF I HAVE MORE QUESTIONS? | For more information regarding your TRS account, please visit the TRS website at [www.trs.state.tx.us](http://www.trs.state.tx.us) or call (800) 223-8778. |
## THE OPTIONAL RETIREMENT PROGRAM (ORP)

<table>
<thead>
<tr>
<th>WHAT IS ORP?</th>
<th>The Optional Retirement Program (ORP) may be chosen by certain employees as an alternative to TRS based on their appointment to certain positions. This program is a defined contribution plan governed by Internal Revenue Code Section 403(b).</th>
</tr>
</thead>
<tbody>
<tr>
<td>WHO IS ELIGIBLE FOR ORP?</td>
<td>Eligibility for ORP is determined by the job performed. Your institution Benefits Office will notify you if you are in an ORP-eligible position. To be eligible to participate in ORP, an employee must: (1) initially be appointed on a full-time basis for 4 ½ months or more; and (2) be appointed to a position otherwise eligible to participate in ORP. Employees who are eligible to participate in a retirement program who are not eligible to participate in ORP must participate in TRS. Examples of eligible positions include faculty positions, specialized professional positions such as physicians, engineers or attorneys, and executive-level administrative positions.</td>
</tr>
<tr>
<td>WHEN CAN I ELECT TO PARTICIPATE IN ORP?</td>
<td>You have 90 days from the date you first become eligible for the ORP to make your enrollment decision. If you are reclassified or assume a new job and become ORP-eligible for the first time after your initial employment date, the 90-day election period begins on the day your reclassification becomes effective. The decision to elect ORP is a one-time, irrevocable decision.</td>
</tr>
<tr>
<td>HOW DOES ORP WORK?</td>
<td>Rather than contributing to TRS, a set percentage of your salary is directed to one or more of the five authorized retirement providers chosen by you at the time of your initial enrollment. Your contributions and the state matching funds are then invested according to your directions. After vesting (one year and one day of participation), the benefit you receive at the time of retirement is your personal contributions and state matching funds, plus or minus any investment returns.</td>
</tr>
<tr>
<td>WHAT DOES &quot;DEFINED CONTRIBUTION PLAN&quot; MEAN?</td>
<td>ORP is called a &quot;defined contribution plan&quot; because the retirement benefit is based on the actual amount contributed to the individual participant’s account and the rate of return on investment rather than a formula. At the time of retirement, you are eligible to receive your accumulated contributions and state matching funds plus or minus investment returns.</td>
</tr>
<tr>
<td>IF ELIGIBLE, HOW DO I CHOOSE ORP OR TRS?</td>
<td>All ORP-eligible employees should receive <a href="www.utsystem.edu/offices/employee-benefits/optional-retirement-program">An Overview of TRS and ORP</a>. You may also wish to discuss both options with your local benefits office, a representative of TRS, or one of the five authorized providers.</td>
</tr>
<tr>
<td>HOW DO I EnROLL IN ORP?</td>
<td>To enroll in ORP, follow these steps: Choose your retirement provider(s) from the currently authorized provider list. You may select more than one vendor for your ORP participation. Go to <a href="www.utsystem.edu/offices/employee-benefits/enroll-retirement-manager">www.utsystem.edu/offices/employee-benefits/enroll-retirement-manager</a> and follow the link to UT Retirement Manager. Log in and click on ORP Enroll/Change and follow the prompts. Complete the appropriate retirement provider application(s) to open an account with that company and mail the application(s) directly to the provider. Complete TRS Form 28 (Notice to Elect to Participate in Optional Retirement Program and/or Refund) and mail it to your institution Benefits Office.</td>

BENEFITS VALUE ADVISOR (BVA)

Blue Cross and Blue Shield of Texas wants you to know that you have a choice when selecting where to go for health care. Many times you can choose between different providers or facilities and receive the same procedure at a lower cost. This is where Benefits Value Advisor (BVA) comes in.

You can call a BVA and get cost comparison information from providers in your area for:

- MRIs, CAT/CT scans
- Knee, hip and spine surgery
- Maternity services
- Colonoscopies

A BVA can also help you:

- Find in-network providers
- Schedule visits for you
- Request preauthorization
- Access online educational tools

MY RX CHOICES (EXPRESS SCRIPTS)
An industry-leading prescription savings program, My Rx Choices is offered as an enhancement to your benefit plan. Here you can view a single presentation of medications with potential savings and comparison shop for available lower cost alternatives. You also have the option to have Express Scripts contact physicians on your behalf to review options with your doctor and request approval for equivalent conversions received through mail.

PERSONALIZED MEDICINE PROGRAM (EXPRESS SCRIPTS)
Your prescription drug coverage includes the Personalized Medicine Program, a program that incorporates genetic testing to optimize prescription drug therapies for certain conditions. The conditions, drugs and testing covered by the program will change from time to time as new genetic tests become available and are included in the program. The Personalized Medicine Program is available to participants meeting a specified clinical profile who are prescribed qualifying medications. The most up-to-date information on the conditions and drugs covered by the program can be accessed online at www.express-scripts.com/ut or by calling an Express Scripts customer service representative at (800) 818-0155.

WORRY-FREE FILLS (EXPRESS SCRIPTS)
Express Scripts has created the Worry-free Fills™ (WFF) program, so your prescriptions can be refilled automatically. When you enroll your eligible prescriptions in WFF, there's no need to call or order your refills. As you near the end of your current supply, we will automatically send your next refill using your existing address and payment information. To enroll in WFF, visit www.express-scripts.com/ut, or call Member Services at (800) 818-0155.

Note: For safety and other reasons, prescriptions for some medications are not eligible to be automatically filled. These prescriptions include specialty medications, controlled substances, and over-the-counter medications. When a prescription expires, you will need to get a new one and re-enroll that prescription in Worry-free Fills; the new prescription or a renewal of the earlier prescription will not be enrolled automatically.

*BCBSTX no longer mails an explanation of benefits (EOB) statement to UT SELECT participants unless they specifically request that their EOBS be mailed. Always review your EOBS following medical treatment to ensure the accuracy of provider billing and payment.

COST ESTIMATOR (BCBSTX)
When your physician has recommended a medical procedure, you can easily find and review the outcome history of procedures previously performed at hospitals using the Cost Estimator tool. You can also use this tool to estimate your costs for common medical procedures. The costs displayed are estimates for the selected service or procedure and are not a guarantee of charges, payments or benefits. Costs may vary depending on the services performed as part of undergoing treatment. Always confirm that the facility you choose is a network provider and that the procedure is covered under your benefits plan.

To use the Cost Estimator, log into Blue Access for Members℠ within www.bcbstx.com/ut, then click the My Coverage tab and select Estimate Treatment Costs.

SAVINGS CALCULATOR (PAYFLEX)
The savings calculator will help you plan for your enrollment elections by estimating your expenses during the year. See https://utflex.healthhub.com and click on savings calculator.

DEPENDENT DAY CARE TAX CREDIT WIZARD (PAYFLEX)
This tool is designed to help you determine the best way for you and your family to take advantage of the tax savings allowed by the IRS. To access the tax credit wizard, go to https://utflex.healthhub.com, click on My HealthHub Resources, Planning Tools, and then Dependent Care Tax Wizard.
Discounts/Value Added Services

BLUE365
Blue365 has a range of new features and greater discounts from top national and local retailers on fitness gear, gym memberships, family activities, healthy eating options and much more. Once you register on the Blue365 website at blue365deals.com/BCBSTX, you will receive weekly “Featured Deals,” which will offer additional discounts from leading health companies and online retailers that are available for a short period of time.

To learn more, visit the Blue365 website at blue365deals.com/BCBSTX.

INTERNATIONAL SOS (UT SYSTEM)
When traveling abroad, coverage is provided for your medical needs through your UT SELECT program; however, additional services are available through the UT System-wide International SOS program. This is a comprehensive, 24-hour medical response organization that provides international assistance services worldwide through the use of multilingual alarm centers on duty 24 hours a day, 365 days a year. International SOS responds to calls for help and advice from students, travelers and expatriates, managing issues from the simplest task of a doctor referral to the most complex emergency evacuation. Membership is included for no charge for staff, faculty and students when traveling abroad on official UT business, and is available at a discount when traveling for a personal trip. You may obtain a membership card from your institution travel office. All UT-related travel abroad not booked using one of the University’s contracted travel agencies should be reported to International SOS in advance. This can be done via the UT System SOS portal at www.internationalsos.com (use U.T. System Membership # 11BSGC000037 to log on). International SOS is not a Uniform Group Insurance Program benefit.

UNIFORM SUMMARY OF BENEFITS AND COVERAGE
The uniform Summary of Benefits and Coverage (SBC) provision of the Affordable Care Act requires all insurers and group health plans to provide consumers with an SBC to describe key plan features in a mandated format, including limitation and exclusions. The provision also requires that consumers have access to a uniform glossary of terms commonly used in health care coverage. The UT SELECT SBCs are available online. To review and SBC for UT SELECT PPO or Out-of-Area coverage, visit the website, www.bcbstx/ut. You can view the glossary at www.dol.gov/ebsa/pdf/SBCUniformGlossary.pdf. To request a copy of these documents free of charge, you may call the SBC Hotline at 1-855-756-4448.
UT SELECT Medical Plan Opt Out of Certain Provisions of the Public Health Service (PHS) Act

Group health plans sponsored by State governmental employers, such as UT System must generally comply with certain requirements in title XXVII of the federal Public Health Services Act. However, the Act also permits State governmental employers that sponsor “self-funded” health plans (rather than provide coverage through a health insurance policy) to elect to exempt the self-funded plan from such requirements. UT System has elected to exempt the UT SELECT Medical plan, which is self-funded, from the following requirements:

- Protection against limiting stays in connection with the birth to less than 48 hours for a vaginal delivery, and 96 hours for a cesarean section. (Newborn and Mother’s Health Protection Act)
- Certain requirements to provide benefits for reconstructive surgery following a mastectomy. (Women’s Health & Cancer Rights Act (WHCRA) of 1988)
- Protection against having benefits for mental health and substance abuse disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan.
- Continued coverage for up to one year for a dependent child who is covered under a plan solely based on student status, who takes a medically necessary leave of absence from a post-secondary educational institution. (Michelle’s Law)

The exemption from these federal requirements will be in effect for the 2015-2016 plan year. The election may be renewed for subsequent plan years.

However, UT System currently voluntarily provides coverage that substantially complies with the requirements of the Newborn and Mother’s Protection Act and the WHCRA. Information about coverage available to newborns and mothers after delivery and coverage for reconstructive surgery can be found in the UT SELECT Medical plan guide.

Genetic Information Non-Discrimination Act of 2008

The Genetic Information Non-Discrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, UT System will generally never require a UT System benefits participant to provide any genetic information when responding to any request for medical information in connection with enrollment in any UT System benefits plan or accessing any of your UT System plan benefits. Genetic information as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. There may be circumstances where your health care provider may recommend that an individual undergo genetic testing for health reasons and in some cases a UT System plan may request the results of a genetic test to determine payment of a claim for benefits, but only the minimum amount of information necessary in order to determine payment. For more information about GINA see www.dol.gov/ebsa/faqs/faq-GINA.html
University of Texas System Notice of Privacy Practices

REVISION EFFECTIVE AS OF September 23, 2013

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

I. PURPOSE OF THIS NOTICE
This Notice of Privacy Practices (this “Notice”) describes the privacy practices of the UT SELECT, UT DENTAL SELECT an UT FLEX Self-funded Group Health Plans (“the Plans”) which are funded by The University of Texas System and administered by the Office of the Employee Benefits within the University of Texas System Administration (System). Federal law requires System to make sure that any medical information that it collects, creates or holds on behalf of the Plans that identifies you remains private. Federal law also requires System to maintain this Notice of System’s legal duties and privacy practices with respect to your medical information. Specifically, this Notice describes how System may use or disclose your medical information (see Section II), your rights concerning your medical information (see Section III), how you may contact System regarding System’s privacy policies (see Section IV), and System’s right to revise this Notice (see Section V). System will abide by the terms of this Notice as long as it is in effect. This Notice applies to any use or disclosure of your medical information occurring on or after the effective date written at the top of this page, even if System created or received the information before the effective date. This Notice will no longer apply once a revised version of this Notice becomes effective.

II. HOW OEB MAY USE OR DISCLOSE YOUR MEDICAL INFORMATION
System may use or disclose your medical information only as described in this Section II.

A. Treatment. System may disclose your medical information to a health care provider for your medical treatment.

B. Payment. System may use or disclose your medical information in order to determine premiums, determine whether System is responsible for payment of your health care, and make payments for your health care. For example, before paying a doctor’s bill, System may use your medical information to determine whether the terms of your Plan cover the medical care you received. System may also disclose your medical information to a health care provider or other person as needed for that person’s payment activities.

C. Health Care Operations. System may use or disclose your medical information in order to conduct “health care operations.” Health care operations are activities that federal law considers important to System’s successful operation. As examples, System may use your complying with contracts and applicable laws. In addition, System may contact you to give you information about treatment alternatives or other health-related services that may interest you. System may also disclose your medical information to a health care provider or other health plan that is involved with your health care, as needed for that person’s quality-related medical information to evaluate the performance of participating providers in a Plans’ networks, and System may disclose your medical information to an auditor who will make sure that a third party administrator of a Plan is health care operations.

D. Required by Law. System will use or disclose your medical information if a federal, state, or local law requires it to do so.

E. Required by Military Authority. If you are a member of the Armed Forces or a foreign military, System may use or disclose your medical information if the appropriate military authorities require it to do so.

F. Serious Threat to Health or Safety. System may use or disclose your medical information if necessary because of a serious threat to someone’s health or safety.

G. Limited Data Set. System may use or disclose your medical information for purposes of health care operations, research, or public health activities if the information is stripped of direct identifiers and the recipient agrees to keep the information confidential.

H. Disclosure to You. System may disclose your medical information to you or to a third party to whom you request us in writing to disclose your medical information.

I. Disclosures to Individuals Involved with Your Health Care. System may use or disclose your medical information in order to tell someone responsible for your care about your location or condition. System may disclose your medical information to your relative, friend, or other person you identify, if the information relates to that person’s involvement with your health care or payment for your health care.
J. **Disclosures to Business Associates.** System may contract or otherwise arrange with other entities or System offices to perform services on behalf of the Plans. System may then disclose your medical information to these “Business Associates,” and these Business Associates will use or disclose your medical information only to the extent System would be able to do so under the terms of this Section II. These Business Associates are also required to comply with federal law that regulates your medical information privacy. To the extent that System offices serve as Business Associates to other institutions within The University of Texas System that are Covered Entities, those offices will comply with those institutions’ Privacy Policies and Notices of Privacy Policies as to those institutions’ PHI they maintain, access or use as their Business Associates of those institutions.

K. **Other Disclosures.** System may also disclose your medical information to:

- Authorized federal officials for intelligence, counterintelligence, and other national security activities authorized by law;
- Law enforcement officials if they need the information to investigate a crime or to identify or locate a suspect, fugitive, material witness, or missing person;
- Health oversight agencies, if authorized by law, in order to monitor the health care system, government benefit programs, or compliance with civil rights laws;
- Persons authorized by law to receive public health information, including reports of disease, injury, birth, death, child abuse or neglect, food problems, or product defects;
- Persons authorized by law to receive the information under a court order, subpoena, discovery request, warrant, summons, or similar process;
- Persons who need the information to comply with workers’ compensation laws or similar programs providing benefits for work-related injuries or illnesses;
- Governmental agencies authorized to receive reports of abuse if you are a victim of abuse, neglect, or domestic violence;
- Coroners or medical examiners, after your death, to identify you, to determine your cause of death, or as otherwise authorized by law;
- Funeral directors, after your death, who need the information;
- The Secretary of Health and Human Services, a federal agency that investigates compliance with federal privacy law.

L. **Incidental Uses and Disclosures.** Uses and disclosures that occur incidentally with a use or disclosure described in this Section II are acceptable if they occur notwithstanding System’s reasonable safeguards to limit such incidental uses and disclosures.

M. **Written Authorization.** System may use or disclose your medical information under circumstances that are not described above only if you provide permission by “written authorization.” After you provide written authorization, you may revoke that authorization, in writing, at any time by sending notice of the revocation to the Privacy Officer identified in Section IV of this Notice. If you revoke an authorization, System will no longer use or disclose your medical information under the circumstances permitted by that authorization. However, System cannot take back any disclosures already made under that authorization.

III. **Restrictions**

You have the following rights associated with your medical information:

- **A.** System will not use your medical information for fundraising purposes.

- **B.** System will never use your genetic medical information about you for underwriting purposes. Using or disclosing your genetic information is prohibited by federal law.

- **C.** System does not use your medical information for marketing purposes. “Marketing” does not include face to face communications with you, or any communications for which the Plan receives no remuneration such as refill reminders, treatment plans, alternatives to treatment, case management, value added services provided in connection with a Plan, and other purposes related to treatment and health operations care. “Marketing” also excludes promotional gifts of nominal value provided by the Plan nor does it include refill reminders.

- **D.** System does not sell your medical information.
IV. YOUR RIGHTS CONCERNING YOUR MEDICAL INFORMATION

You have the following rights associated with your medical information:

A. Right To Request Restrictions. Although System is generally permitted to use or disclose your medical information for treatment, payment, health care operations, and notification to individuals involved with your health care, you have the right to request that System limit those uses and disclosures of medical information. You must make your request in writing to the Privacy Officer. Your request must state (1) the information you want to limit, (2) to whom you want the limit to apply, (3) the special circumstances that support your request for a restriction on Plan disclosures, and (4) if your request would impact payment, how payment will be handled. System will consider your request but does not have to agree to it. If System does agree, System will comply with your request (unless the disclosure is for your emergency treatment or is required by law) until you or System cancels the restriction. There is a form you can use to make this request which is available on the System website or by contacting Privacy Officer or the Benefits Office at The University of Texas System institution that you contact for assistance with your System insurance benefits.

B. Right To Inspect and Copy. You have the right to request that System communicate your medical information to you by a certain method (for example, by e-mail) or at a certain location (for example, at a post office box). You must make your request in writing to the Privacy Officer. Your request must include the method or location desired. If your request would impact payment, you must describe how payment will be handled. Your request must indicate why disclosure of your medical information by another method or to another location could endanger you.

C. Right To Inspect and Copy. You have the right, in most cases, to inspect and copy your medical information maintained by or for System. You must make your request in writing to the Privacy Officer. If System denies your request, you may have the right to have the denial reviewed by a licensed health care professional selected by System. If System (or a licensed health care professional performing the review on behalf of System) grants your request System will provide you with the requested access. You may request copies of such information but System may charge you a reasonable fee.

D. Right to Amend. If you feel that medical information System has about you is incorrect or incomplete, you may ask System to amend the information. You have the right to request an amendment for as long as the information is kept by or for System. You must make your request in writing to the Privacy Officer, and you must give a reason that supports your request. If System denies your request for an amendment, System will explain to you its reasons for denial and your appeal rights following denial.

E. Right to an Accounting of Disclosures: You have the right to request a list of disclosures of your medical information that have been made by System and its Business Associates. OEB does not have to list the following disclosures:

- Disclosures for treatment;
- Disclosures for payment;
- Disclosures for health care operations;
- Disclosures of a limited data set for health care operations, research, or public health activities;
- Disclosures to you;
- Disclosures to individuals involved with your health care;
- Disclosures to authorized federal officials for national security activities;
- Disclosures that occur incidentally with other permissible uses and disclosures;
- Disclosures made under your written authorization; and
- In certain circumstances, disclosures to law enforcement officials or health oversight agencies. You must make your request in writing to the Privacy Officer. Medicare Part D Notice of Creditable Coverage

Important Notice from The University of Texas System Office of Employee Benefits About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The University of Texas System and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The University of Texas System Office of Employee Benefits has determined that the prescription drug coverage offered by the UT SELECT Medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

Enrollees of the UT SELECT Medical plan are automatically enrolled in prescription drug coverage. It is not possible to enroll in UT SELECT Medical coverage and decline or waive the prescription drug portion of the coverage. If you decide to join a Medicare drug plan, you are not required to drop your current UT SELECT Medical plan coverage. If you elect Part D coverage in addition to your UT SELECT Medical coverage, the pharmacy benefits you are eligible for under your UT SELECT Medical plan will coordinate with your Part D coverage.

If you do decide to join a Medicare drug plan and drop your current UT SELECT Medical plan coverage, be aware that you and your dependents will be able to get this coverage back during annual enrollment or following a qualified change of status event.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the UT SELECT Medical plan and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage

Contact your institution Benefits Office for additional information. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the UT SELECT Medical plan changes. You also may request a copy of this notice at any time from The Office of Employee Benefits or your institution Benefits Office.

For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage, visit www.medicare.gov.

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their...
telephone number) for personalized help

Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
