Workers' Compensation Network Acknowledgement Form

I have received information (Employee Welcome Letter, Notice of Network Requirements and Employee Handbook Material) which informs me how to get health care under workers' compensation insurance.

If I am hurt on the job and live in the service area described in this information, I understand that:

1. I must choose a treating doctor from the list of physicians in the **IMO Med-Select Network[®]**. Or, I may ask my HMO primary care physician to agree to serve as my treating doctor by completing the Selection of HMO Primary Care Physician as Workers' Compensation Treating Doctor Form # IMO MSN-5.
2. I must go to my network treating doctor for all health care for my injury. If I need a specialist, my treating doctor will refer me. If I need emergency care, I may go anywhere.
3. The insurance carrier will pay the treating doctor and other network providers.
4. I *may have to pay* the bill if I get health care from someone other than a network doctor without Network approval.
5. If I receive the Notice of Network Requirements and refuse to sign the Acknowledgement form, *I am still required to use the network.*

Please fill out the following information before signing and submitting this completed acknowledgement form:
