An electronic record of the proceedings shall be taken and be made accessible to the accused. By a majority vote of its total membership, the Investigative Committee shall make written findings on the material facts and recommend the continuance or termination of the accused. To remove an officer of the Faculty Senate or a Chairperson of a Standing Committee from office, the findings of fact and the recommendation made by the Investigative Committee must be sustained by a two-thirds vote of the Faculty Senate membership and only after the accused Faculty member has been given an opportunity to appear before the Faculty Senate to make a voluntary statement, or answering questions, or both.

discharge his/her Committee duties. If the member does not resign, the Chairperson of
the Committee will inform the President of the Faculty Senate of the facts (with a copy
to the member). The Chairperson will request that the President of the Faculty Senate
