PeopleSoft Tile Layout Introduction

1. **Blue Banner**: Blue Header appearing across all pages.
2. **Homepage(s)**: Starting point for navigation in PeopleSoft. Multiple Homepages are available and house a specific group of Tiles organized by business function.
3. **Tool Bar**: Appear on Blue Banner and used to perform actions across Fluid pages.
4. **Tiles**: Provide access to a single page or a collection of pages within the Homepage.
5. **Refresh**: Used to refresh the current PeopleSoft page.

---

**Legend for Tool Bar located top right corner of the screen**

- **Home**: Used to return to the PeopleSoft Homepage.
- **Global Search**: Universal search to find PeopleSoft content.
