

PeopleSoft Tile Layout Introduction

1. **Blue Banner:** Blue header appearing across all pages.
2. **Homepage(s):** Starting point for navigation in PeopleSoft. Multiple home pages are available and house a specific group of tiles organized by business function.
3. **Tool Bar:** Appear on Blue Banner and used to perform actions across Fluid pages.
4. **Tiles:** Provide access to a single page or a collection of pages within the home page.
5. **Search in Menu:** Universal search to find PeopleSoft content.
6. **Recently Visited:** Recently viewed pages in PeopleSoft
7. **Favorites:** Pages that have been marked as favorites.
