

End Employee Assignment(s)

The End Employee Assignment(s) eForm is used when an employee should no longer be employed by your department (e.g. employee resignation, transfer to another department, student is graduating, and etc.).

1. After logging into PeopleSoft, under **Employee Self Service (Homepage)** click the **eForms Tile**. From the “eForms Portal Pagelet” select the **Create New Request** link.

Other links include 'View Existing Request', 'Budget Overview', and 'Reports'. A table below shows a request with ID 100167215 for a 'Position Attribute Change' with a status of 'Pending Approvals'.

2. The **Initiate New eForms Request** page is displayed. From the “Action” drop down menu, select the **End Employee Assignment(s)** option.
3. The **End Employee Assignment** eForm is displayed. Use the **Justification** text box to explain or “justify” the reason for the eForm action requested.

Note: Use the **Clean Address** link if updating the address, to ensure a valid postal address is entered.
