1. Launch the Edge browser and click on the Settings and More icon on the upper right hand corner.
2. Select Settings.
3. Select Privacy & Security on the side bar
4. Click on Choose what to clear button under Clear browsing data.
5. Select Cookies and saved website data and Cached data and files fields.
   The page will then clear all items, close the browser tabs/windows and reopen the browser to start a new session.
