Safari - Deleting Cache

1. Select **Safari** on the upper left hand corner of the Navigation Bar to display options.
2. Select **Preferences**.

3. In the tabs section, select **Privacy**.
4. Click on **Manage Website Data**.
5. Select **Remove All**.
6. Select the **Done** button.
7. The page will then clear all items, close the browser tabs/windows and reopen the browser to start a new session.
